President

The issuance of Authorization for the use of the BISSC Verified Symbol is based upon independent inspection that the equipment listed above complies fully with the ANSI/ASB/Z50.2-2015 standard reference(s) specified. Legal responsibility for compliance is solely that of the holder of this Certificate of Verification, BISSC does not warrant that the holder of a verification certificate at all times complies with the provisions of the designated standard(s). This in no way affects the responsibility of BISSC to take appropriate action in cases where evidence of non-compliance by the holder of a verification certificate has been established.
