2022 THIRD-PARTY VERIFIED

Authorization No. **351**

Company: **ADSI, Inc. - BISSC - 2022**

Address: **22971 State Rd 78 S, Durant, OK, 74701, United States of America**

is hereby authorized to apply the BISSC Symbol to the model(s) of equipment listed below, conforming to the ANSI/ASB/Z50.2-2015 sanitation standard, for the twelve months beginning January 1, 2022 and ending December 31, 2022.

Standard Reference(s): **3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment**
3.0 General Principles of Design, Construction and Cleaning for All Bakery Equipment

Model Designation: **Centri-Matic III 286P- UL.**

A handwritten signature in cursive script, reading "Daniel R. Martin", is written over a horizontal line.

President

The issuance of Authorization for the use of the BISSC Verified Symbol is based upon independent inspection that the equipment listed above complies fully with the ANSI/ASB/Z50.2-2015 standard reference(s) specified. Legal responsibility for compliance is solely that of the holder of this Certificate of Verification, BISSC does not warrant that the holder of a verification certificate at all times complies with the provisions of the designated standard(s). This in no way affects the responsibility of BISSC to take appropriate action in cases where evidence of non-compliance by the holder of a verification certificate has been established.

4.14 Design Requirements for Ovens

Model Designation: Bassanina Ovens: Zoom (812, 1212, 1218); Steelheart (812, 1212, 1218).

A handwritten signature in cursive script, reading "Daniel R. Martin", is written over a horizontal line.

President

The issuance of Authorization for the use of the BISSC Verified Symbol is based upon independent inspection that the equipment listed above complies fully with the ANSI/ASB/Z50.2-2015 standard reference(s) specified. Legal responsibility for compliance is solely that of the holder of this Certificate of Verification, BISSC does not warrant that the holder of a verification certificate at all times complies with the provisions of the designated standard(s). This in no way affects the responsibility of BISSC to take appropriate action in cases where evidence of non-compliance by the holder of a verification certificate has been established.
